

Camera-Ready Submission

The authors should incorporate all the comments and apply appropriate paper styling. The final manuscript must be submitted at [EDAS](#).

To prepare the final manuscript, please follow the steps below.

Preparing the final manuscripts

Step 1 - Formatting

Prepare your final manuscript using MS Word or Latex A4 templates for IEEEExplore Digital Library. The templates can be found at <https://www.ieee.org/conferences/publishing/templates.html>

Please confirm all authors' information and funding information in the final manuscript. After submission, the information cannot be changed.

Step 2 - Copyright notice

Modify IEEE Copyright Notice at the bottom-left of the first page of the template as follows.

Most of papers in which all authors are NOT either employed by the US government or employed by a Crown government or employed by the European Union, the copyright notice is:

978-1-6654-8584-5/22/\$31.00 ©2022 IEEE

- For papers in which all authors are employed by the US government, the copyright notice is:
U.S. Government work not protected by U.S. copyright
- For papers in which all authors are employed by a Crown government (UK, Canada, and Australia), the copyright notice is:
978-1-6654-8584-5/22/\$31.00 ©2022 Crown
- For papers in which all authors are employed by the European Union, the copyright notice is:
978-1-6654-8584-5/22/\$31.00 ©2022 European Union

Step 3 - Validate by IEEE PDF eXpress

Please visit the IEEE PDF eXpress to validate your pdf file before submitting to EDAS

The screenshot shows the IEEE PDF eXpress login interface. The top navigation bar includes links for Home, About Us, Membership, Publications, Conferences, Standards, Careers, Education, Volunteers, Societies, and Geographic Activities. The main content area is titled "IEEE PDF eXpress® Login" and contains input fields for Conference ID, Email Address, and Password, along with "LOGIN" and "RESET" buttons. Below the login form is a table with columns: Paper ID, Paper Title, Status, PDF, Source, and Action. The table contains one row with a "Pass" status and "1 of 10" PDFs. A "RELOAD" button and a "CREATE NEW TITLE" button are located above the table. A note below the table states: "If you do not receive a PDF within 24 Hours, contact Technical Support".

- Visit the site: <https://ieeepdf-express.org/>
- Our **Conference ID** is 54298X
- If you are a first-time user, you should create an account and enter Conference ID (54298X) with you e-mail address and password. Then you will be asked to provide personal information. If you already have the account, please login with your credential and put 54298X as Conference ID.
- After you log-in, click on Dashboard (on the left menu) and then you can create a new title on the site. IEEE PDF eXpress will convert your PDF file into the appropriate format for submission to IEEEExplore. Please submit the converted file to EDAS in step 5.

Step 4 - IEEE electronic Copyright Form

The screenshot shows a table with columns: Conference, Paper title (details), Status, Edit, Add and delete authors, Withdraw, Session, Copyright, Visa letter, and final manuscript. The table contains one row with a status of "Accepted". A red arrow points to the "Copyright" column, which contains a link icon.

Conference	Paper title (details)	Status	Edit	Add and delete authors	Withdraw	Session	Copyright	Visa letter	final manuscript
		Accepted						-	until Dec 5, 2020 06:59:59 EST

Before uploading the Camera-Ready, you must complete the copyright transfer agreement for each paper. EDAS has configured with the IEEE electronic Copyright Form (eCF); therefore, you must complete the agreement on-line. In EDAS paper list, click copyright form link shown above. Click "IEEE Copyright Submission" to complete the online submission of the copyright form.

Step 5 - Submission at EDAS

You must submit the converted final manuscript as the Camera-Ready in [EDAS](#) before April 18, 2022.
