Call For Presentation of Special Session for High School Students

The **ECTI-CON 2022** is an international conference organized by Electrical Engineering/Electronics, Computer, Telecommunications and Information Technology (ECTI) Association, and hosted by Electrical Engineering Dept, Kasetsart University, Thailand and Dogus University, Turkey.

We cordially invite high school students to submit one page abstract in the special session on high school students at ECTI-CON 2022. The abstract must be in English and may include a few key pictures. All submitted abstracts will be reviewed by ECTI committees. The accepted abstracts will be online presentation only. After presentation, the authors will be awarded a certificate. There will be free of charged for all accepted abstracts.

See you in ECTI-CON2022.
